“ To the Diello family - very saddened to read of Butch's passing. I have many great memories of the whole family. There is a saying that people don't leave us, they live in our hearts. In sympathy, Sarah Tostanoski

“ My condolences to Butch's family. I wish I had known where Butch had moved, I would talk to and visit him at the towers and then everything stopped. No one there seemed knew where he was. He was a good friend and we shared many memories and good times. RIP
