“ I'm so sad to hear about Marcia's passing. She has always been one of the sweetest members of our family. I will very much miss our conversations about family and genealogy. She shared so many stories with me about my grandparents and great grandparents. I will always treasure these conversations. My deepest condolences to Don and the rest of her family.

“ I did not know Marcia well in high school, but I definitely appreciated all she did to arrange our class reunions. She had a wonderful attitude and was very comfortable to be around. She looked lovely at our last reunion, and when I complimented her, Marcia replied that she felt great. I will always remember her like that.

Praying for the family,

“ My dear old friend, Marcia. We certainly had a lot of fun at Ryback's along with your mom and dad! These memories I'm very fond of and I'm certainly glad to have met your dear parents!
You're up there with the best, my friend! Rest in His arms and I'll see you once again when it's my turn. My memories of you were so many great times! Lots of love and laughter. Till then...you will be in my heart as your parents are, along with the rest of the crew!

“ I was saddened to learn of Marcia's passing. We were friends for many years -- we had so many good memories. She was a loyal and true friend. Many times her quick wit would put a smile on my face. She was a loving and caring Mother and Grandmother. When fate would throw her a problem, she just buckled down and tackled it and faced what had to be faced with a smile. She shall be missed. Rest in Peace.
